

The following chart of Washington County, Virginia families represents ancestors of the children of **Herbert Eugene Blaylock and Nellie Elizabeth Privette.**

For other families of Washington County and surrounding areas, please see other family charts:

Blaylock, Lowe, Booher

Notes from Greta Barker Blair: Rev. Soldier (oldest son) minister of Gospel Bedford VA. Greta Barker Blair's Article (#161) in "Families of Washington Co. and Bristol, Virginia 1776-1996": **THOMAS O. BARKER AND REBECCA (GADDY) BARKER** [In] August 2, 1977 we called at a farm place of Gordon Barker in Mendota, Virginia. There, preserved in an old ledger, were entries made by Gordon's grandfather indicating his lineage - exactly 100 years earlier to the day, earlier. Edmond, (1837-1908), ninth of nine children of Sherwood and wife Rachel (Lark) Barker, wrote August 2, 1877: "Great grandfather and his wife Martha Snead - Joel settled American Bottoms Thomas and his wife Rebecca Gaddy - Charles Barker - John - Susan - Rachel - Betsy - Polly ... My great, great, grandfather Edward was a cousin to King Charles and a teacher in the Presbyterian High School in London. He died a short time after he came to the Colony. Great grandfather, John Barker, he sold his land to a man named Richman and Richmond City was named after him".

William G. "Billy" Eades

69 known as a large, strong, hard-working man

Records of Ed Mitchell (1019 Oakland Dr, Bristol TN 37620):

According to a letter from Ed Mitchell to an unknown person: "Your ancestor Sally Rush was a sister to my great-great grandmother, Margaret Mumpower. Old man Billy got mad at both of them for marrying men he did not approve of and quit speaking to both of them - Sally and Margaret. All of the children quit speaking to Billy when he remarried, except William King, who inherited everything when Billy died. He later committed suicide as did his brother Bradley. There was much friction and hatred in the family. The neighbors overlooked it by saying that they were just 'Indians' and that's the way Indians acted."
1860 census lists name as EADES; 1870 census lists as EADS. 1880 census shows William's father b.NC & his mother b.VA. Billy's ages in censuses:39-1860; 49-1870; 58-1880. Billy Eads was part Cherokee Indian according to Ed Mitchell. Billy weighed about 300 pounds and was very strong, according to a descendant at Rush family reunion.

m. 5/23/1889

Margaret made up with her father when he was on his death bed.

Susan was a woman with a bad reputation, much younger than Billie. She had a child when he married her. Family did not approve, so all stopped talking to him except William King. So, when Billie died he left everything to William King. Susan died in 1938.

Margaret is reported to have been a midwife.
